

543B.59 Appointed agents within a firm.

1. *Appointed agents.* A real estate brokerage agency entering into a brokerage agreement, through a designated broker, may notify a client in writing of those affiliated licensees within the real estate brokerage agency who will be acting as appointed agents of that client to the exclusion of all other affiliated licensees within the real estate brokerage agency.

2. *Dual agent.* A real estate brokerage agency and a designated broker are not considered to be dual agents solely because of an appointment under the provisions of [this section](#). However, an affiliated licensee who personally represents both the seller and the buyer in a particular transaction is considered to be a disclosed dual agent and is required to comply with the provisions of [this subchapter](#) governing disclosed dual agents.

3. *Actual knowledge — information.* A client, a real estate brokerage agency, and its appointed agents are deemed to possess only actual knowledge and information at the time the appointed agents are appointed. Knowledge or information is not imparted by operation of law among the clients, the real estate brokerage agency, and its appointed agents.

4. *Appointments — roles.* The commission shall define by rule the methods of appointment and the role of the real estate brokerage agency and the designated broker. The rules must include a requirement that clients be informed as to the real estate brokerage agency's appointed agent policy and be given written notice of that policy in advance of entering into a brokerage agreement.
